

Réseau

Bio-Innovation

of CQVB

A network devoted to stimulating  
**innovation in bio-industry  
companies**

2011-2012 Services and membership fees

# The CQVB

organizes and presents...

Human health

Human nutrition

Marine biotechnology

Industrial bioproducts

Animal health

## *Technology and business activities*

- Technology meetings
- Strategy workshops
- Symposiums
- International missions
- Industry-researcher networking sessions

## *Technology information and strategic monitoring publications*

- The BioWatch® series (innovations, issues and challenges facing the sector and monitoring around the world)
- The BioTrends® series (tomorrow's technology, trends and outlook)
- Innovation portfolios (innovative technology platforms)
- Directories
- Studies

## *Financing for innovative companies to develop new bioproducts and/or bioprocesses*

Financial partner

**Développement  
économique, Innovation  
et Exportation**

Québec

## Participate in our **technology and business activities**

- Learn about the most recent innovations, technologies, trends, innovative processes and products
- Discover market niches and opportunities
- Exchange ideas with world-renowned experts and Québec-based innovation actors
- Improve and diversify your products
- Develop strategic alliances
- Broaden your contacts and business network
- Raise your profile

Receive our  
**technological and strategic monitoring publications**

**Bio**  
**WATCH**®

**Bio**  
**TRENDS**®

For a strategic, global and forward-looking vision  
of the bio-industry sector

*Discover in one quick glance*

- Recent industry innovations
- Innovative products and processes
- Innovative companies
- The findings and work being done by specialized research centres
- Technology-related challenges and issues

*Get ahead of your competition*

- Avant-garde trends and technologies
- The outlook for tomorrow
- Market diversification and added value products
- Competitive advantages
- Strategic long-term development
- Thoughts and ideas on contemporary matters of interest

## Services provided

from April 1, 2011 to March 31, 2012

	Non-members	Members
<b>TECHNOLOGY AND STRATEGIC MONITORING PUBLICATIONS</b>		
<b>BioWatch®</b> (minimum of 10 times a year)	\$40 / issue	Free
<b>BioTrends®</b> (minimum of 10 times a year)	\$40 / issue	Free
<b>Electronic presentations</b> at each technology meeting	\$50 / meeting	Free
<b>Other publications</b>	No discount	Up to a 50% discount
<b>Documents released before March 2011</b>	No discount	Up to a 40% discount

<b>TECHNOLOGY AND BUSINESS NETWORKING</b>		
<b>Technology meetings and other activities</b>	No discount	Up to a 30% discount
<b>Technology missions</b>	No discount	Up to a 10% discount
<b>Networking with foreign industrialists and researchers, in the Province of Quebec</b>	No discount	Priority access

<b>OTHER SERVICES</b>		
Information published in the "Votre Partenaire en Bio-industries" bulletin	Unavailable	Only for members
Visibility for members on the CQVB Web site with a hyperlink	Unavailable	Only for members

 New

*Price of publications is based upon their being downloaded from the Internet.  
For print and computer disk (CDs) documents, shipping and handling expenses will be added.*

Become a part of the biggest coalition  
**of industrial and institutional**  
bio-industry actors

149 member organizations

March 2011

## Subscription rates 2011-2012

### INDUSTRIAL MANUFACTURING COMPANIES

Initial designated person	\$250
Additional individuals	\$140

*Always for the same special price*
